FTA EUROPE PACKAGING FORUM

13:30h Attendees arrival & finger buffet

15:00h Welcome message from the President of FTA Europe, **Sante Conselvan**

15:05h **Certainly Uncertain: Navigating PPWR Through Uncertainty**
Keith Gater, Product Manager at Wipak, leads the GreenChoice portfolio, helping customers meet recyclability and sustainability requirements. With experience across product management, R&D, technical development, quality and business development, he combines technical insight and commercial understanding to deliver practical, scalable flexible packaging solutions aligned with circular economy principles.

15:45h **From Invisible Tags to Visible Impact**
William Addy, Chief Commercial Officer at Polytag, helps brands harness connected packaging and data insights to support sustainability and circular economy goals. A commercial leader with experience at Sedex, Hyve Group and GlobalData, he supports organisations in preparing for ESG requirements, packaging traceability and future legislative change.

16:30h **Global Sustainable Packaging Trends: Real Case Examples from WordStar Winners**
Soha Atallah, WPO Vice President, Marketing

17:00h Free time
